

# How to find us

## Our adresse:

Next Kraftwerke GmbH  
Lichtstraße 43g  
50825 Köln

## The address of our parking space:

Oskar-Jäger-Straße 170  
50825 Köln

## By car:

From the North you exit motorway A1 at “Kreuz Köln-Nord” (Exit No. 101) and enter motorway A57 in the direction of “Köln-Zentrum”. You exit the A57 at “Köln-Ehrenfeld” (Exit 30) which brings you to the street “Parkgürtel”. Follow Parkgürtel towards Köln-West/Ehrenfeld for roughly 2 km until you take a right into “Weinsbergstraße” directly after you passed the huge DIY market “BAUHAUS” on your right. You go straight down Weinsbergstraße for a couple hundred meters and take a right at the next possible crossing into “Oskar-Jäger-Straße”. After following Oskar-Jäger-Straße for roughly 1.3 km you find a pike on your right, leading you to a large parking space and the premises of the Next Kraftwerke headquarters.

From the West and South you exit motorway A4 at “Kreuz Köln-West” to take the A1 towards “Dortmund”. You drive off A1 at “Köln-Lövenich” (Exit No. 103) and go on towards “Köln-Zentrum” (Cologne Center). Follow “Aachener Straße” for roughly 5 km towards “Zentrum” and take a U-turn before you reach the large crossing where Aachener Straße meets “Universitätsstraße” – it’s time to take the U-turn when you see “Friedhof Melaten” (Melaten Cemetary) on your left. After the U-turn, you go back for 800 meters and take the next possible right just behind the cemetary into “Oskar-Jäger-Straße”. After following Oskar-Jäger-Straße for roughly 1.3 km you find a pike on your right, leading you to a large parking space and the premises of the Next Kraftwerke headquarters.

From the East you exit motorway A3 at “Kreuz

Köln-Ost” (Exit No. 27) and join the A4 in the direction of “Köln-Zentrum” (Cologne Center). Keep following the course of the road for roughly 11 km – the road eventually sends you off the motorway and over the river Rhine into the city of Cologne. Directly after you pass AMERON Hotel Regent (right-hand side), take a right into “Aachener Straße” at the large crossing. Go straight for roughly 800 meters and take the next possible right into “Oskar-Jäger-Straße” after having passed “Friedhof Melaten” (Melaten Cemetary). Following Oskar-Jäger-Straße for roughly 1.3 km, you find a pike on your right, leading you to a large parking space and the premises of the Next Kraftwerke headquarters.

## In case you use a navigation device:

When you reach the destination “Lichtstraße 43”, please continue down the road until you reach a T-crossing. Turn left into “Oskar-Jäger-Straße”. After just a few meters you find a pike on the left-hand side, leading you to a large parking space and the premises of the Next Kraftwerke headquarters.

## By train

From “Hauptbahnhof” (Cologne Central Station) or “Köln Messe/Deutz” (Cologne Trade Fair), take the local trains (S-Bahn) S12 or S13 in the direction of „Düren/Horrem” and get off at “Bahnhof Köln-Ehrenfeld”. From there, it is roughly a 10 minutes-walk

to the Next Kraftwerke Headquarters. Follow the street “Ehrenfeldgürtel” in the direction of travel (South-West) and turn right at the second intersection called “Vogelsanger Straße”. Follow the road for a few hundred meters until you reach the second intersection called “Lichtstraße” on your left. Go down Lichtstraße: Where the road takes a sharp right turn, you go left through a small passage next to the restaurant “Lichterfeld”. The Next Kraftwerke headquarters are now directly in front of you.

### On the premises

When you have reached the parking space on the premises, you find the Next Kraftwerke headquarters in building G (“Kontorhaus”). The main entrance is in the inner courtyard of the building complex. You reach the entrance from the parking space by walking through a wide passage in the building left to the Dyson office. Behind the passage and down a short flight of stairs, the entrance is immediately on your right.

We are looking forward to welcoming you!
